Dear Mr. Fowler,

Under my authority and as the Department of the Army Senior Policy Official for historic preservation, I am designating Dr. David Guldenzopf as the Department of the Army Federal Preservation Officer. Dr. Guldenzopf serves in my office as the Director for Environmental Quality. He is the Department of the Army's principal historic preservation professional and is exceptionally qualified for this designation.

As the Department of the Army Federal Preservation Officer, Dr. Guldenzopf has major department-wide responsibilities for historic preservation and compliance with the National Historic Preservation Act (NHPA). Dr. Guldenzopf is the Department of the Army representative to the Advisory Council on Historic Preservation, State Historic Preservation Offices, Tribal Historic Preservation Offices, Department of Interior, National Park Service, and non-governmental historic preservation organizations, among others.

Dr. Guldenzopf is authorized to act as agency official, consult on behalf of the Department of the Army, and sign Department of the Army NHPA correspondence and NHPA Program Alternatives for purposes of compliance with Section 106 of the NHPA and 36 CFR 800. He is authorized to establish Army historic preservation policy and take other necessary actions regarding the Department of the Army's historic preservation program and compliance with the NHPA. Where there is a failure to resolve the adverse effect of an undertaking on historic properties and NHPA Section 106 consultation is terminated by the Army, Dr. Guldenzopf is authorized to request comments from the Advisory Council on Historic Preservation and notify consulting parties pursuant to 36 CFR 800.7(a)(1). Dr. Guldenzopf is also the Department of the Army signature authority for National Register of Historic Places listing nominations, requests for determinations of National Register eligibility from the Keeper of the National Register, and for comments on National Historic Landmark proposals.
