

LEGACY RESOURCE MANAGEMENT PROGRAM FY 1999 TO 2019 CULTURAL RESOURCES and INTEGRATED PROJECTS

The Department of Defense's Legacy Resource Management Program funds projects that help protect and enhance natural and cultural resources to enable military readiness. Following is a list of cultural resources and integrated projects that Legacy has fully or partially funded from Fiscal Years (FY) 1999 to 2019.

For more information about the Legacy Resource Management Program, please visit <https://www.denix.osd.mil/legacy/home> or contact the [Legacy Staff](#). To view project products, please visit <https://www.denix.osd.mil/cr/home> and review menu headings for topical locations (e.g., "Archaeology & Curation," "Historic Structures, Districts, and Landscapes") or insert the project reference number in the search bar.
