## CALL FOR POSTERS

- Annual DoD Ergonomics Conference -  
Albuquerque, New Mexico, 12-13 August 2003

The 6th Annual Force Health Protection Conference, 11-17 August, includes a 2-1/2 day Ergonomics Track, hosted by the DoD Ergonomics Working Group. This track will serve as the Annual DoD Ergonomics Conference for DoD, Federal, industry, and university safety and health personnel.

The Force Health Protection Conference provides military and civilian members of the force health protection community the opportunity to share their experiences, ideas, and research with others. In addition to platform presentations, short courses, meetings, and exhibits, conference participants may view posters prepared by their peers.

For specific information on the Call for Posters, go to  
<http://chppm-www.apgea.army.mil/fhp/CallForPostersOverview.aspx>

This link provides:

- A list of suggested poster topics, in addition to ergonomics
- Information on judging, scoring, and awards—including paid accommodations for the winners
- Directions for submission

Poster abstracts are due by **2 May 2003**. You will be notified by **19 May 2003** of the status of your submission, with information on designing, preparing, and presenting your poster.

For detailed information on this **REGISTRATION-FREE** conference—including agenda, CMEs and CEUs, registration, speakers, exhibitors, and hotels—go to <http://chppm-www.apgea.army.mil/fhp/>
