MEMORANDUM FOR DEPUTY ASSISTANT SECRETARY OF DEFENSE (STRATEGY)  
DIRECTOR, JOINT STAFF  
CHIEF OF STAFF, USAFRICOM  
CHIEF OF STAFF, USCENTCOM  
CHIEF OF STAFF, USEUCOM  
CHIEF OF STAFF, USNORTHCOM  
CHIEF OF STAFF, USPACOM  
CHIEF OF STAFF, USSOUTHCOM

SUBJECT: Defense Environmental International Cooperation (DEIC) FY14 Approved Program

This memorandum announces the approved Fiscal Year 2014 Defense Environmental International Cooperation (DEIC) Program to be funded by the Office of the Deputy Under Secretary of Defense for Installations and Environment (DUSD(I&E)), subject to the availability of funds. This was done in accordance with the guidance provided in the Acting DUSD(I&E) memorandum dated May 10, 2013 (Attachment 1). Implementation shall comply with DoD guidance pertaining to travel, meetings and security cooperation.

The table (Attachment 2) lists all the proposals received and funding levels for approved projects. Our office is ready to work with you on the details for execution of proposals in the "approved column." The "reconsider" column reflects proposals that will be re-evaluated for funding if additional money becomes available. My point of contact is Ms. Ninette Sadusky (571) 372-6897 Ninette.i.Sadusky.civ@mail.mil.

John Conger  
Acting Deputy Under Secretary of Defense

CHIEF OF STAFF, USNORTHCOM  
CHIEF OF STAFF, USPACOM  
CHIEF OF STAFF, USSOUTHCOM

SUBJECT: Defense Environmental International Cooperation (DEIC) Program – FY14 Call for Proposals

This memo provides the schedule and guidance for submitting proposals for consideration in the DEIC Program allocation of FY14 resources. The DEIC Program provides expertise and funding to support security cooperation (e.g. build partnership capacity, reduce regional tensions, and sustain mission capability).

Eligible DEIC Program activities must include engaging with foreign defense ministries on environmental topics that have implications for military installations, training or operations. I encourage you to submit proposals that include civilian agencies, international organizations and non-government organizations.

The planned milestones for the DEIC FY14 proposal submission process are:

- No later than June 28, 2013 – Please submit FY14 DEIC Program proposals based on the guidance provided in the Attachment.
- We will meet with representatives from ODASD(Strategy) and the Office of the Chairman of the Joint Staff to evaluate the proposals.
- November 2013 – I will announce the approved FY14 DEIC Program.

My point of contact is Ms. Ninette Sadusky at (571) 372-6897 or Ninette.Sadusky@osd.mil.

John Conger  
Acting Deputy Under Secretary of Defense  
(Installations and Environment)

## **DEIC Program – FY14 Proposal Submission Guidance**

Combatant Commands should consolidate their proposals and submit by June 28, 2013 for FY14 resource consideration. A cover memo signed out at the GFO/SES level is appropriate. They should be emailed to Susan Clark-Sestak at [sclark@ida.org](mailto:sclark@ida.org), with a copy to Mr. Bill Mackie, Joint Staff at [william.a.mackie.civ@mail.mil](mailto:william.a.mackie.civ@mail.mil). The format of the proposals should be as follows:

1. Title of the proposal;
2. Organization (spell out) originating request, including DoD action officer, email address, and commercial and DSN phone number;
3. Description – Explain why this proposal and the country(ies) to be engaged are important and what the desired outcomes are.
  - a. General description of who, what, where, when, and how.
  - b. Why? - Cite support to specific objectives of the Guidance for the Employment of the Force and your Theater Campaign Plan. This is extremely important. The more context you provide, the more competitive your proposal is likely to be. We anticipate that this section of your proposal will be classified and should be submitted in a separate classified document to [susan@ida.pentagon.smil.mil](mailto:susan@ida.pentagon.smil.mil).
4. Documentation deliverables: For example, report, handbook, workshop, proceedings, etc.
5. Planned schedule for execution (include key planning meetings and events). Please consider the “80/20” rule – 80% obligation by end of July is mandatory. No more than 20% of funding may remain unobligated after that date.
6. Resource requirements: Provide a detailed excel spreadsheet that identifies:
  - a. The amount of funds requested from the DEIC Program.
  - b. How funds will be spent (e.g., # travelers, travel, per diem, publication costs, contractor support). DEIC Program is O&M funding and subject to all restrictions of that appropriation.
  - c. Other resources that have been requested (e.g., Traditional Commander Activities, Warsaw Initiative Funds, Cooperative Threat Reduction, personnel, technology, etc.).
7. Additional Comments: Include any clarifying information that will aid our understanding in evaluating your proposals. This information should be clear, succinct, and proposal specific.
8. Priority: COCOMs must prioritize their proposal requests if submitting more than one.
9. Compliance with all current guidance governing travel and conferences (if applicable) is required.
