

# STATE WAP/INRMP PROJECT INFORMATION FORM

<b>1 - Name and Description</b> <i>Provide the name and a general description of the project</i>							
<b>Southwest Burrowing Owl Workshop/Symposium</b>							
<b>2 - Goals and Objectives:</b> <i>Describe the goals and objectives of the project</i>							
Goals: Host a Burrowing Owl Symposium to discuss opportunities to protect and conserve the species. Attendees to include landowners (federal, state, and local), regulators (federal and state), biologists, developers, and potential litigants.							
Objectives:							
<ol style="list-style-type: none"> <li>1) Provide current information on the status, ecology, and management of burrowing owls in the southwest.</li> <li>2) Provide current regulations and policies affecting burrowing owls</li> <li>3) Create and sign a MOU/MOA stating the signatories' intention to continue to work together to develop conservation strategies to protect and conserve the species.</li> <li>4) Gather Burrowing Owl management plans/reports from throughout the region with the intention of developing state-specific conservation plans.</li> <li>5) Develop verbiage for insertion into both INRMPs and SWAPs.</li> </ol>							
<b>3 - Geographic Location</b> <i>Describe project location. Attach GIS if available</i>							
CA, NV, AZ, UT, (NM?)							
<b>4 - Partners</b> <i>Identify key project partners</i>							
Partner		DoD	State	Local	NGO	Other	
DoD PIF		X					
California Department of Fish and Game			X				
United States Fish and Wildlife Service						X	
The Wildlife Society						X	
Audubon Society					X		
<b>5 - Potential Benefits to Partner Mission</b> <i>Describe project potential for increasing partner mission support through species conservation, habitat corridor development, etc.</i>							
<ol style="list-style-type: none"> <li>1) Galvanize relationships with the tripartite signatories of INRMPS (DoD, USFWS, State).</li> <li>2) Provide critical information for the implementation of respective SWAPs.</li> <li>3) Development of standardized methods for conservation of species.</li> </ol>							
<b>6 - Anticipated Tools or Products to Implement Project</b> <i>(check all that apply)</i>							
MOA/ MOU	Existing Program	Buffer Area Agreement	Education/ Outreach	Academia Involvement	State/Fed Legislation	Maps	Other
X			X	X	X	X	
<b>7 - Funding and other Resources/Support</b> <i>Provide any details on funding leverage and potential sources of support</i>							
<ol style="list-style-type: none"> <li>1) Legacy Funding</li> <li>2) State Funding (via State Wildlife Grant Program)</li> <li>3) NGO sponsorship</li> </ol>							

8 - List potential short term goals/products and estimated completion date(s)	
Deliverable/Goal	Completion Date
Discuss potential synergies with existing BUOW legacy project (Courtney Conway - University of Arizona)	31 January 2007
Develop working group for legacy proposal	31 March 2007
Develop Legacy pre-proposal	15 September 2007
Submit Legacy full proposal	15 November 2007
9 - Project POC <i>Please provide full contact information for the Project POC(s)</i>
